Emery folks,

The aforementioned task has passed it's initial review and can proceed to technical review. The memo's need to be completed by February 11th, 2009.

I will set up a meeting with John Gefferth to discuss what will/won't be required with this amendment. Mr. Gefferth is proposing to shrink his permit area to that of the disturbed area only. Yes.. this is the first mine to do it. We should talk about this more and make sure we're all on the same page.

thanks,  
Steve
